DEDICATION

It is fitting that this fiftieth anniversary issue of the Directory of the Mississippi Society of the Sons of the American Revolution should be dedicated to the four living Charter Members of this Society:

PERCY LEE CLIFTON
PAUL PURCELL LINDHOLM
GEORGE ASHE WILSON
GORDON GARLAND LYELL

The first three are still active members of the Society and the last named is a retired Judge living in Jackson, Mississippi.

Judge Lyell was State President of the Society for its first ten years and during that time the membership doubled.

The other three have contributed in various ways and have stayed with the organization in its many ups and downs. Mr. Clifton served for six years as National Trustee and as State President in all eight years.

All honor should be given these men who have seen the State Society grow from eighteen members to an enrollment of over four hundred. May some of the present membership emulate their example by giving fifty years of service.

PRESIDENT'S MESSAGE

As President of the Mississippi Society of the Sons of the American Revolution it gives me great pleasure to express the gratitude of the Society to our Compatriot Cyril E. Cain for making this volume possible. It meets a very definite need and provides each member of the Society with a permanent record of the membership of the Mississippi Society and other information important to each of us.

We regret that there were not more members to be included in this volume. Too many of us have fallen down in recruiting new members of the Society. While we may be ashamed of our past records in this regard, it is not too late to start our campaign for qualified new members and bring our membership up to the point where the SAR can meet a vital need in preserving and fostering the ideals of our Revolutionary ancestors that made this great nation of ours possible.

Norman C. Brewer, Jr.
President
